

# Pete frogs MUSIC

---

Hi!

Thank you for downloading this free game music pack! I hope you'll enjoy the tracks. They come in a variety of styles and paint a pretty good picture of what I can do as a game composer.

All of the tracks loop from beginning to end and they're also royalty-free, meaning you can use them in your games for free! However if you do use one or more tracks in your game, please credit me as follows: "Music by Pete Frogs", and send me an e-mail with a link to your game so I can check it out!

If you like what you hear and would like some custom music by me for your game, contact me at [contact@petefrogs.com](mailto:contact@petefrogs.com) or head over to [my website](#) where you'll be able to book an online meeting with me to tell me about your game.

Wishing you the best in your projects!

Pete.
